Tobermory Women's Dive Day Weekend	Another tank order	Dive Season	What is happening
------------------------------------	--------------------	-------------	-------------------

Our Women's Dive day was fun, and that is what it was meant to be, we went diving in the morning, and some of the women went diving on a walk on charter in the afternoon. Later that Saturday went diving on the Sweepstakes and the Grand Rapids. On Sunday we finished with the lighthouse. We tailgated with some great food, and Don's Great Chili. We had old friends, new friends and appreciated the men's help. We also want to thank everyone for the Anniversary card That was really awesome !! Thanks so much. Don and Mickey .

**We are placing another tank order and if you are interested please come in put your deposit, your name on the list& pick color. We will be ordering in a couple weeks.**
