## 38th Great Lakes Ship Wreck Festival

Was this past weekend, and was the first time we had a booth. We had a blast, and met many people. We hope there are some people who now know where Fair Haven MI is. One of our young divers, got to meet Becky Kagan Schott, she is a fantastic under water photographer, and when our diver Eryn Pace was in 4th grade she portrayed her and did a whole project on her. Well Eryn met Becky and it was great.

Congrats!

Keep following your dreams Eryn!

There were some great presentations, and I want to thank everyone that helped with the booth,

Patrick Guteirrez ,Sarah Grewe, Mary&Rick Korte Jim Marquette, Dave Wrona & Ana Potter Thanks we appreciated the support.

## Camera Seminar SeaLife Cameras

Matt Mulryan will be here on Tuesday March 12 th for a SeaLife Camera Seminar.

Watch Matt demonstrate how easy it is to use a SeaLife camera. Matt will walk participants through SeaLife's on-screen icons, camera settings, and tricks and traps.

He'll share underwater photography tips and discuss options for strobes and photo video lights. If you have a SeaLife camera or are looking to buy one, you don't want to miss this seminar! Open to all levels of photographers.

Bring your SeaLife camera if you have one also. RSVP: 586 725 1991.

## Get your gear checked

Spring is coming I swear, and White Star Quarry will open in April. So don't get caught in the rush, get your gear and tanks in for service. We do our best to keep track of your warranty dates, but if your TUSA is registered and it has been a year then please bring it in and we will check with TUSA don't be out of warranty.

Scubapro is every 2 years if warranted.

Once you earn your Advanced rating, your next adventure can be PADI Rescue Diver. This is a good certification to have for you, as well as your buddy. Our PADI Rescue class is now forming for 2019 Call for Details and talk to Don about becoming a Rescue diver.
